

ANNUAL TM RETREATS

Each semester we offer a TM Retreat to the girls and one to the boys. These Retreats provide a time for rest and deeper experiences in their TM program. They take place from Thursday evening through Saturday just before lunch. **The Retreats are optional.** Students who do not wish to take the Retreat will continue with their classes on the Friday.

The first semester boys' Retreat will be Thursday, September 12 through Saturday, September 14.

The first semester girls' Retreat will be Thursday, September 19 through Saturday, September 21.

Details of the TM Retreats, along with permission slips, will be distributed several weeks before they take place. THE COST WILL BE \$85 PER STUDENT, which is much less than retreats offered by the TM Center or University. **We wanted to let you know about this right away, so that you can plan accordingly.** We look forward to these opportunities for the students to gain the deep rest and increased coherence the Retreats provide.
